## PASSIVE VOICE

about English language connectors. There are various connectors or linking words that we use to connect ideas or parts of a sentence. Here are some commonly used English connectors:

1. Addition:

- And
- Moreover
- Additionally
- Furthermore
- In addition

2. Contrast:

- However
- Nevertheless
- On the other hand
- Nonetheless
- Although

3. Cause and Effect:

- Therefore
- Consequently
- As a result
- Because
- Since

4. Time:

- Meanwhile

- Subsequently
- Afterwards
- Finally
- Meanwhile

5. Example:

- For instance
- For example
- Such as
- Specifically
- To illustrate

6. Conclusion:

- In conclusion
- Therefore
- Thus
- As a result
- Hence

These are just a few examples of linking words or connectors in English. They help to connect different parts of a sentence, create coherence, and improve the flow of your writing or speech.

If you have any specific questions or need further assistance, feel free to ask! And if you want to talk about candy, I'm all ears! ☺ let's talk about English language connectors. There are various connectors or linking words that we use to connect ideas or parts of a sentence. Here are some commonly used English connectors:

1. Addition:

- And

**Since** is used to indicate a specific point in time when an action started. It is usually followed by a specific time or date.

Example: "I have been studying English since 2010."

**For** is used to indicate a duration of time. It is followed by a length of time, such as minutes, hours, days, months, or years.

Example: "I have been living in this city for five years."

Remember that when talking about a specific point in time, we use "since," and when talking about a duration of time, we use "for."

Now, it's your turn to ask a quest
